CHAPTER ONE

YOUR SEASON BEGINS ON PAGE ONE

# SoPRO

## Autumn 2025 - **Manicure** **that begins the story**

**C**hapter One is a story about peaceful autumn moments – those you capture outdoors with a book in hand. About sunbeams breaking through golden leaves, and the silence that invites your thoughts to wander. Each color is like a piece of a story – a favorite quote, an emotion you want to hold onto a little longer.

This collection was created to remind you that time for yourself doesn't need four walls – all it takes is a breath, calmness, and a patch of sky above your head.

- ✓ The capsule wardrobe fan – she chooses shades that match everything and never go out of style.
- ✓ The emotional minimalist – she avoids loud colors, but every shade holds meaning and depth for her.

### **LAUNCH**
