maniMORE Simply Magnetic Collection

was created with women in mind who know that true elegance is never loud. The collection is inspired by the timeless class of white suits—worn by style icons such as Princess Diana, Cate Blanchett, and Taylor Swift—radiating strength, subtle magnetism, and sophistication.

The polishes from the Simply Magnetic collection successfully replace jewelry. Magnetic particles attract the eye, hypnotize, and speak for you.

With them, you will create a unique, exceptional manicure—a manicure that adds a touch of class to any outfit.

**The colors of the collection reflect the hues of natural gemstones.
Choose yours and attract good energy.**
