Silcare®

Love GAME

In this game, the heart wins.

In the game of love, there are no rules. There are only emotions, glances, and the choices you make with your heart.

The Love Game collection features five magnetic shades that pulse with passion and elegance. Each polish is a card you play your own way — bold, sensual, impossible to read.

Beige, brown, red, burgundy, and black — five tones of the love game. Five ways to say I love, I desire, I win.

Bet it all on yourself.

5 colors that steal every glance...

Nude Trick

Gentle, but not innocent. Nude Trick is a beige shade that seduces with subtle shimmer and magnetic sparkle. Perfect when you want to play sensual, yet classy. A shade that keeps its secret just a little longer.

Warm Bluff

A warm brown that tempts with confidence. Warm Bluff is a color for women who know that in the game of attention, sometimes it's worth bluffing — and always winning. Soft, elegant, hypnotizing — like a look that says more than words.

Queen Deal

In this game, the queen deals the cards. Queen Deal is a deep burgundy with a magnetic glow — a shade of confidence, class, and passion. Perfect for those who know that the heart is the most precious card in the deck.

Royal Move

A red that knows no compromises. Royal Move is a bold move in the game of love — intense, full of passion and shine. The color of victory, flirtation, and emotions that ignite the senses.

Black Ace

Dark, elegant, and unpredictable. Black Ace is a black polish with golden magnetic particles — a symbol of power and mystery. The ace that always wins. The perfect finale in the game of the heart.
